

**Mauricio J. Bonilla**

UI/UX Designer

[mauriciojavierbonilla@gmail.com](mailto:mauriciojavierbonilla@gmail.com)

## **About me:**

I am a UI/UX designer and web developer with over 15 years of experience in creating user-friendly websites and brand strategies. Passionate about delivering simple, effective solutions for global clients, I have been working from El Salvador since 2005.

## **Job Experience:**

### **Cypress Equity Investments – Los Angeles**

*Sept 2012 – Present*

#### **UI/UX & Senior Web Designer**

- Designed and managed over 30 user-centered real estate websites for an award-winning company, contributing to its growth from \$3.7 billion to \$13 billion over 10 years.
- Collaborated closely with cross-functional teams and key partners, including Greystar, Bozzuto, and Avenue5, to ensure projects were delivered on time and aligned with the company objectives.

### **Basement-Inc – Los Angeles**

*Nov 2007 – Sept 2011*

#### **Senior Web Designer**

- Designed and executed large-scale website projects for Fortune 500 companies, including Bimbo, California Lottery, Men's Wearhouse, PayPal, Sony Pictures, and Warner Bros., delivering user-centric solutions across multiple channels.
- Collaborated with award-winning creative directors and copywriters to deliver high-quality, impactful results.

### **Kick Solutions – New York**

*Aug 2006 – Nov 2007*

#### **Jr. Web Designer**

- Designed websites and print collateral material for mid to small businesses in various industries.

## **Qualification Highlights:**

- UI/UX Design and Web Development
- Adobe Photoshop and design tools
- Strong knowledge on HTML, CSS, and responsive web design
- Project management tools (e.g., Basecamp)
- Self-motivated, organized, and detail-oriented
- Strong teamwork and time management
